## ***If she forwarded your call to the concern person....***

1. Hello sir/ mam....Its....this side ..... from cyclone pharmaceutical Pvt. Ltd
2. May I know your good name as well as designation Please.
3. So sir ,We have our own software through which you can handle your entire plant activities from starting to end till dispensing. It's an unique tool, through which all your pharma operations of manufacturing can be done
4. The name of our tool is paperless GMP:- PHARMA ERP
5. It has administrative department like Management, HR, Admin, Marketing Purchase, Finance also it has all inventory module and the manufacturing operation with Ebmr ( electronic batch manufacturing report} and Ebpr ( electronic batch packaging report} as well .
6. The Paperless GMP is having QMS integration at every stage.
7. It has excess, control, Audit trail and various panels for customer, Vendor, Physician, and outside laboratories.
8. We are also giving you android application to managers for emergency approvals.
9. For Ex; to security for easy gate or inward activity. (for easy entry of Material )

## ***In the end***

1.Can I get your mail Id so that I can share these details over mail as well as your contact no to get in touch with you easily.

2.We can have demo of Paperless GMP as well. For demo you can let us know you can call on the same or you can mail as on [Megha@paperlessgmp.com](mailto:Megha@paperlessgmp.com).

We also give demo of our paperless gmp software , so for that as per ur allocated date and time we will schedule the same or else I can share you the recorded demo videos of paperless gmp software.

## When They Said We are Using Another Software

Which sotware you are currently using?

Though you are using that Software but in Our Software u are going to get complete pharma Operations.
